FIND MORE great reads
from Midwestern authors and publishers!

Every year, via our Midwest Book Awards program and member title catalog, MiPA aims to connect readers and booksellers with new books coming out of the Midwest.

Founded in 1984 in Minneapolis, the **Midwest Independent Publishers Association** exists today as a vibrant professional association that serves the publishing communities in Illinois, Indiana, Iowa, Kansas, Michigan, Minnesota, Missouri, Nebraska, North Dakota, Ohio, South Dakota, and Wisconsin.

MiPA aims to create an inclusive publishing community that shares resources, fosters networking, and increases the quality of Midwestern independent publishing as we help our member publishers grow.

MiPA members come from all twelve states in our region and include indie traditional, hybrid, and university presses, as well as indie author-publishers.

Join Us online for our educational programming, open to anyone in the publishing community. Upcoming events:

- October 20, 2022: Taxes for Freelancers (special workshop)
- November 8, 2022: Author Platform Development (regular meeting)
- December 13, 2022: Open Q&A on publishing with MiPA's board

THE 33RD ANNUAL **MIDWEST BOOK AWARDS** IS

OPEN FOR ENTRIES

RECOGNIZING THE BEST BOOKS PUBLISHED IN THE MIDWEST

Recognizing excellence in books published by Midwestern publishers, the 33rd Annual Midwest Book Awards is open for entries until January 13, 2023 for books published in 2022.

Spanning 35 categories, each entry is judged by a panel of librarians from across the Midwest. As part of MiPA's commitment to indie publishing, each entrant receives judges' feedback covering writing, editing, and design.

Gold and silver winners are announced during MiPA's annual summer gala. In addition to being featured in this catalog, denoted by gold and silver medallions, winners will be promoted via social media, MiPA's Virtual Reading Series, and other literary recognition opportunities.
